# ATTENDANCE MATTERS!

**Our school attendance target is 97%**

One of the most important things that you can do for your child's future is to make sure they come to school!

## **School Matters!**

**Attend Today, Achieve Tomorrow**

By ensuring good attendance you are really helping your child to achieve the very best that they can.

Good attendance = good results!

If they miss school....

It means ... missing out on learning and social life.

It means ... the more school they miss the harder it is for them to go back.

## **What does the law say?**

If your child is between 5 and 16 years of age and is registered as pupil at a school, it is your legal responsibility to make sure that they attend regularly and on time!

## Absences

**Absences MUST be recorded by school every day.**

They are recorded as:

**Authorised Absence**- This is where a satisfactory explanation for the pupil's absence has been given by the parent/guardian. For example: -

- ✓ Illness
- ✓ Exceptional circumstances which have been approved by the Executive Headteacher

**Unauthorised Absence**- This is where no satisfactory explanation has been given for a child's absence e.g.

- X A pupil's, or family member's birthday
- X Shopping
- X Having a hair cut
- X Trips to the airport to pick up/drop off relatives
- X And....

**ALL FAMILY HOLIDAYS TAKEN DURING SCHOOL TIME  
ARE RECORDED AS UNAUTHORISED. FROM  
SEPTEMBER 2023, ALL HOLIDAYS/TIME OUT OF THE  
COUNTRY WILL BE SUBJECT TO A FIXED PENALTY  
NOTICE TO BOTH PARENTS.**

**What should I do if my child is going to be absent from school?**

1. Telephone school on the first day of your child's absence, to let us know why your child is not at school.

**IT IS ESSENTIAL THAT YOU DO THIS SO  
WE KNOW YOUR CHILD IS SAFE!**

*Your next appointment is:*

Date: -----

Time: -----

24 hr. notice required  
for cancellation  
Phone: 555-555-5555

2. If your child has an appointment, show the appointment card to the admin team **BEFORE** the appointment. Your child should return to school as soon as possible after the appointment.

## What does school do about attendance?

- School will monitor the attendance of all children regularly and challenge parents who are not following school policy.

- School will telephone home if no reason is given for an absence and we will record that a parent has not informed us. If a parent does not inform us, it causes us concern about the safety of that child.

- Staff from school will visit a child's home if we do not hear why they are absent.
- School will work with parents/carers to ensure children have good attendance.

- School will closely monitor children who persistently miss school without good reason. Parents will be asked to come to a meeting to discuss the reasons why and may be given a parenting contract to improve their child's attendance.

**X** If your child is persistently absent, it may be necessary to issue a penalty notice under Section 444 of the Education Act.

✓ **We would like to thank those families who always make sure that their children are in school regularly.**

## PUNCTUALITY MATTERS!

You can help your children by getting them to school every day and on time! This creates good habits for your child's future.

Rain or shine...school opens at 20 to 9!

Don't be late! – At 9 o'clock, we close the gate!

**From September 2023, the gate will close at 10 to 9!!!**

Arriving at school after 9:30 a.m. will be recorded as an **unauthorised absence** if a satisfactory reason is not given.

Remember – Arriving after 9:00 a.m. means a late mark in the register.

"I slept in" or "the taxi was late" are not acceptable excuses for being late!

Arriving after 9:30 a.m. means an absence mark in the register.

**KEEPING US INFORMED ABOUT YOUR CHILD'S ATTENDANCE IS THE BEST THING YOU CAN DO.**

Please phone the admin if you are running late - 205-1700
