Our 'Statement to Live by' next week is:

'I know when to ask for help and who to ask for help from.'

HOLY TRINITY: This coming Sunday, the Church celebrates the great feast of The Most Holy Trinity. What a wonderful day for our children to make their First Holy Communion! This Feast gives us further insight into God's true nature, which is one of love. Human language can never fully explain the mystery of God which is beyond our total understanding. However, Jesus teaches us that, although there is only one God, there are three Persons in God - the Father, the Son and the Holy Spirit. So we speak of God as the Trinity of three Persons. The Father loves the Son, and the Son loves the Father, and the Spirit is the love between them. This love is one of the mysteries of faith and it prompts us to think more deeply about the Holy Trinity. Enjoy your weekend and help share God's love.

Coming to Church helps us to have peace in our lives and we grow closer to God. Learn more about this Sunday's Gospel by joining us at St. Patrick's or St. Malachy's at the above Masses. Alternatively there are other local Churches with other Masses available: all are very warmly invited.

HOLY COMMUNION CELEBRATION: We know that many of you will be looking forward to the First Holy Communion celebration on Sunday - it is such a special family time and we will be proud to witness the occasion. We will continue the celebrations next Wednesday as we hold Mass in school. Please keep our children and families in your prayers as they make their final preparations.

WORLD FAITH WEEK: This week, as part of our World Faith Week, the children have been learning about Islam - one of the world's major religions. They explored key beliefs and practices, such as the Five Pillars of Islam, the importance of prayer, and the celebrations of Ramadan and Eid. As a Catholic school, we also spent time drawing meaningful comparisons between Islam and our own faith, such as the shared belief in one God, the value placed on prayer, charity, fasting and the importance of community and compassion. This learning helps to foster respect, understanding and a deeper appreciation of the rich diversity of faith in our world. As always, our children were eager to learn and share their ideas. Well done children!

ATTENDANCE AND PUNCTUALITY MATTERS: We had a disappointing start to the term. None of our classes managed to hit our school target of 97%. We had some classes who were very close (Years 5 & 6). All children are reminded each week about our 'TRIP'le 'A' challenge. This continues this half term as we get closer to our end of year trips. Can your child be an attendance HERO? (Here, Everyday, Ready, On time)

Nursery: 90.5%	Reception: 92.3%	Year 1: 95.4%	Year 2: 93.1%
Year 3: 96.7%	Year 4: 96.2%	Year 5: 96.7%	Year 6: 96.7%
WHOLE SCHOOL: 94.7%			

TOP TIPS FOR ATTENDANCE: We recognise that it can be very difficult at this time of year putting your children to bed when it's still light outside. However, sticking to a regular bedtime routine allows your child to get plenty of sleep so that they are ready for school. Children aged 3-6 need 11 hours sleep. Children aged 7-11 need 10 hours sleep. If you're struggling to get your children up in the morning and ready for school, it's usually because they haven't had enough sleep.

READING TOP TIPS: Manchester libraries have it all going on! Get yourselves reading for the Festival of Libraries' during the whole month of June. Find all the details at Manchester City of Literature.

'Board Games Club': Drop into Central Library's new board games club - play old favourites, try something new, or bring your own! Free and open to all. [Find out more!](#)

SAFEGUARDING IS EVERYONE'S RESPONSIBILITY: At our school, safeguarding is a shared commitment - and one we take very seriously. All staff receive regular training to ensure they are equipped to support and protect our pupils. We ask that you continue this partnership at home by regularly monitoring your child's online activity and having open conversations about how to stay safe online. Online safety is a key part of our PSHE and Computing curriculum. Throughout the year, we teach children how to:

- Stay safe when using the internet and digital devices
- Understand the basics of cyber security
- Protect their personal information
- Communicate respectfully and responsibly online
- Show tolerance and respect in digital spaces

Together, we can help our children develop the skills and confidence they need to navigate the online world safely and responsibly and we thank you for your continued support.

DIARY DATES: We have an extremely busy and exciting term for the children with lots going on. So that everyone can keep track, please keep a close eye on the dates which are at the end of this newsletter. Our admin teams will continue to text any reminders to parents as we know how busy you are.

Dates for
the Diary:

RAFFLE FOR FUNDRAISING: Two children in Y4 are raising money for the dance team they are in outside of school. The team have reached the world championships and need to buy new costumes to make sure they look tip top! The children will be selling raffle tickets at the end of the day in the playground. Tickets are 50p each and the children would appreciate your support.

END OF YEAR TRIPS: All children have been set a 'TRIP'le 'A' challenge again this year. To be invited to get a seat on the coach...children need to meet the following three targets:

- ✓ ATTENDANCE - be an attendance HERO - Here, Everyday, Ready, On time
- ✓ ATTITUDE - be a good listener and learner in school
- ✓ ACHIEVEMENT - improved results in spelling tests, read every night, complete homework

Parents will received a letter with further details about the donations, arrangements for the day and deadline for payments. Please look out for this in your emails.

NURSERY PLACES AVAILABLE: Are you looking for a nursery place or know someone who is? Is the child's date of birth on or before 31.08.2022? If so, we have places within our nursery available for your child to start after Summer! For more information about the admissions process please call in at the school office.

STAFF NEWS: Mrs Kennedy will be leaving our schools at the end of this term as she moves on to pastures new! There will be more information regarding this towards the end of the year.
